Welcome to Eventzee - Scavenger Hunts Made Easy! We pride ourselves on our easy-to-use process, but we still understand that there’s a bit of a learning curve. So in order to make the most of your scavenger hunt experience we’ve crafted a quick guide to get you started.

1. LET’S PLAY!
First, you need to join the hunt. Click the camera icon to scan the code.

2. CODED
Each event has a unique join QR code. Scan it and you’ll join the hunt.

3. RSVP
After you scan the code, RSVP and the admin will let you into the hunt.

4. NAVIGATE
Once you’re in the Event page you’ll see icons for clues and the leaderboard.

5. SUPER SLEUTH
Clue descriptions will direct you to the hidden location of the QR code.

6. SCANNER
Find the code and just press the corresponding clue to scan it.

7. APPROVAL
Once you scan the code you’ll automatically be awarded the points.

8. BE A LEADER
The more points you get the higher you’ll rise on the leaderboard.
QR FEATURES

QR hunts also feature a number of unique features. When an admin hosts a QR hunt they may choose to include both the Pop Quiz function as well as a location based GPS hunt.

1. SCANNING

You'll scan the code like normal, so once you find it just click the correct clue.

2. QUIZ WHIZ

Upon scanning just click through to begin the Pop Quiz.

3. GUESSTIMATE

Answer incorrectly and you'll still get another chance— for less points though.

4. A+ STUDENT

Answer correctly and you'll be awarded points based on the number of attempts.

1. DIRECTION

The compass icon to the right will show distance from the clue's location.

2. CARTOGRAPH

Click on the clue to see the GPS location on a map and help in your hunt.

3. JOURNEY

You can also check the overall event map to see how far you are from other clues.

4. CODED

Once you find the code in real life, just click to scan and automatically earn points.
